October 2026 Board Report

Napi's Vision Statement:

Napi Elementary School, a community of families, students, and staff will work to ensure the very best education for all our children through teaching, guidance, support, and structure.

Napi's Mission Statement:

Napi Elementary School is committed to providing high-quality instruction and support to promote the highest achievement of all students, both academically and behaviorally.

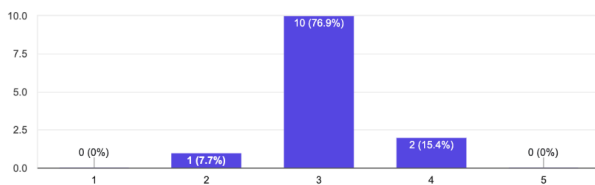

New Curriculum

Napi teachers and students have begun using the Math and You and Benchmark curricula for ELA and Math. The feedback so far is very positive. Teachers report that students are enjoying working with the new learning materials. Teachers completed a survey on September 9th that captured how they are feeling about implementing these curricula, and the following feedback was provided on a scale of 1-5.

3. On a scale of 1-5, where 5 is the most confident and 1 being no confidence, how confident and ready are you for Unit 1 Week 1 ELA (Benchmark Advance) instruction?

Aimsweb Data

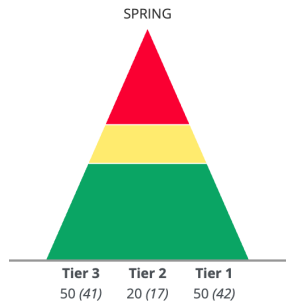

4th Grade Aimsweb: Reading (100% completion) and Math (100% completion); 5th Grade Aimsweb: Reading (99% completion) and Math (99% completion). To combat summer learning loss reflected in current data, teams launched ELA Intervention and Walk to Math to accelerate student progress.

Tier Transition Summary

Counseling Department--Submitted by Mr. Andreas and Ms. Roberts

The Napi Counseling Center has been really busy in preparation for the new school year. Both, Mrs. Roberts and I have been doing home visits to get all students back to school, assigning lockers, helping students overcome anxiety, and setting up our multi-tier system of student support. As part of this process, we have worked with the counseling and administrative staff at BES to figure out which incoming students could use a little extra help while in school and to target students who struggled last year with attendance to make sure they are in school and engaged. We are also in the process of organizing emergency drills and preparing for both Lights on After School and Red Ribbon Week, which are on the near horizon.

The Napi MTSS that we utilize for students includes 3 tiers of support. Tier 1 supports are utilized by all students. These services include: Second Step social-emotional instruction, social-emotional counseling as needed, and academic counseling/referrals for students who need additional support. Tier 2 supports are utilized by a small group of students with specialized needs. These Tier 2 supports include: daily lunch bunch, Tamarack Grief Group on Mondays, McKinnie Vento clothing/food, 504 medical plans, IEP's, Dessa small group instruction, and daily check and connect services. Tier 3 supports mental health supports that are utilized by a small group of students. These services include referrals to IHS, Blackfeet Tribal Behavioral Health, Sukapi Lodge, and other providers. Many times, these providers utilize our telehealth pod located at Napi to connect to their providers during the school day. In most cases, students who receive Tier 3 supports also receive Tier 1-2 supports at the same time.

Attendance

Student Attendance: September 4th Grade: 86% 5th Grade: 86% Home Visits: 15	Staff Attendance: September Certified: 91% Classified: 77%
