October 2026 School Board Report

Attendance Percentage per grade level

9th grade= 75.76%

10th grade= 75.46%

11th grade= 74.87%

12th grade= 78.89%

Overall Percentage: 76.16%

Number of students per grade level

9th grade= 127

10th grade= 162

11th grade= 125

12th grade= 121

Total BHS students= 535 students

BHS what's happening:

1. Aimsweb testing has been completed at BHS. Data is being compiled by the instructional coaches and will be shared out next month.
2. BHS seniors are preparing for Senior Portfolio- November 20, 2026 1-3 p.m. during
3. Senior Toy Drive is preparing and starting to look at fundraising. The planning process is happening and advisors are starting to meet on this.
4. Senior Scholarship team is working on getting our process going, working on the scholarship donor letter created and identifying those donors to get the letters out as soon as we can.
5. National ACT will be held on October 17th, 2026
6. October 2, 2026 was Family Literacy Night for Social Studies. They completed voter registration at the volleyball game. They had over 55 community members register to vote.
7. October 19-24th, 2025 Writing Assessment for all 9-12th students.
8. October 26-30th- BHS midterm tests will be given. We are working on BHA referrals for the 2nd quarter.
9. October 23-31st, 2025: Red Ribbon Week-
10. Fall field trips are up and running. BHS is utilizing local areas to help enhance their teaching and connecting student learning.

What happened in September/Early October:

1. We are fully staffed for Certified and classified staff at BHS.
2. BHS Open House- we had almost 50 parents who attended Open House this year.

Our stories. Our strength. Our future.

3. September BHS had our first BID day- we had a tree dedication for Kami Wellman-Deroche, rock painting for the tree, had cheesecake to honor Kami and a place to write memories and place in an album. We invited Kami's family and Rebecca and Donna were able to give a blanket to the family from the School District. We also implemented face painting for students, staff and the community. We had Bullshoe pre k and kindergarten classes came for painting. They thought over 100 students willingly got painted and learned what it means and how it helps them. There was bracelet making, paracord lanyard making, senior portfolio prep, study halls and homecoming prep.
4. BHS Homecoming- all homecoming activities went well. The 9th-12th student council helped ensure that things were planned out ahead of time, allowing time to work on hallways and floats. The student council did a great job with holding grade level meetings way ahead of time so this year it was not rushed. The week was very smooth and successful, TEAMWORK played a vital role in ensuring this could happen.
5. Science field trip- teachers brought students to East Glacier and harvested plants for tea. The teachers will show them how to dry and prepare the plants.
6. Isaac Fisher came on September 30th as a guest speaker/professional dunker. He spoke about being kind and to believe in yourself. He was part of the Arles Warrior movement so he talked about the suicide prevention message they spread as a team and went on to show off some amazing dunks for staff and students.
7. Mr. Sibberenson took his Geography class on a field trip to work with the THPO program. This was an amazing experience for the students and the teacher. He felt this was a program he will continue to work with for field trips for more of the cultural piece and connecting the learning from the classroom to the land.
8. Mr. Sibberenson and Ms. Tatsey have utilized St. Mary trips
9. Student attendance and work completion is going well. I see student engagement and we hear great feedback from teachers on student's trying and feeling successful, without phones as a distraction learning is happening in rooms.
10. BHS after school tutoring and Night school for credit recovery are up and running.
11. BHS had their yearly High school rodeo over Labor Day weekend. Great turn out but very muddy.
