Re: Superintendents Board Report

Updates

- We will host a parent/community meeting on Monday, October 19th at 6:00 pm at Homedale High School. I will lead the discussion about the School Facilities Firearm Policy. I have had three parents reach out for clarification after I sent the email out to parents. Shay and I talked to one in person and I talked to the other two on the phone. They seemed to appreciate the additional information that I was able to provide on training and other requirements related to the program. I agreed to hold a parent meeting to share as much as I could. Norm Stewart, Marsing Superintendent, and I have had held joint interviews with Jon Brown of the Owyhee Avalanche, Channel 6, and Idaho Ed News. We also responded to questions from Channel 2.

- I will be joining the Kimberly School District as part of their presentation at the ISBA conference on November 4th. Their superintendent thought it would be good to add our perspective and efforts since we're just starting out in the process.
