School Attendance:

As a school, September was a very good month for attendance. We had the best month of attendance in comparison to the last six years (95.8%). Anything above 95% is very good. Please take a look at a comparison of the month to month attendance below.

Trojan Thrives Time..

At HMS, we have officially started our after school program. Students are able to stay after school on Tuesdays and Thursdays to either receive tutoring in current classes or take part in an enrichment lesson. We have had very good student numbers in attendance.

Trojan Read In...

On the last Thursday of every month, HMS does a "Trojan Read-In". As a school all students and staff members take 45 minutes in the morning reading. In preparation for this read in, our teachers make sure that all students have utilized the library and have a book in their possession. This is an uplifting experience and goes a long way to build a culture of readers.
