

# Advanced Program Update

2025-2026

# Summary: Advanced Programs

## PATHWAYS

SC

AP, Dual Credit,  
and On Ramps  
provide multiple  
pathways for  
students to earn  
college credit.

## RESULTS

tr

2025–2026  
results  
demonstrate  
continued  
student  
participation  
and success.

## OPPORTUNITIES

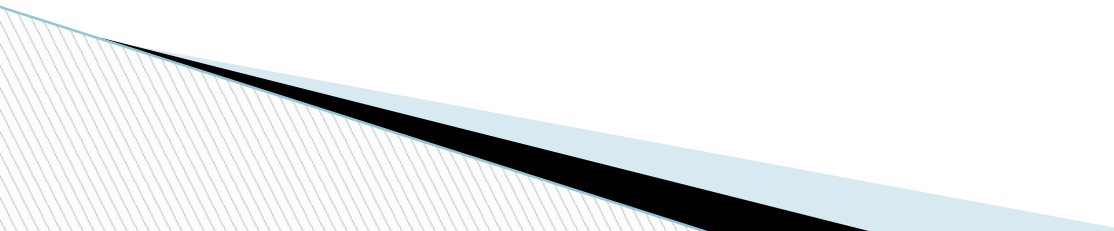

a

Students have  
access to  
multiple options  
aligned to their  
college and  
career goals.

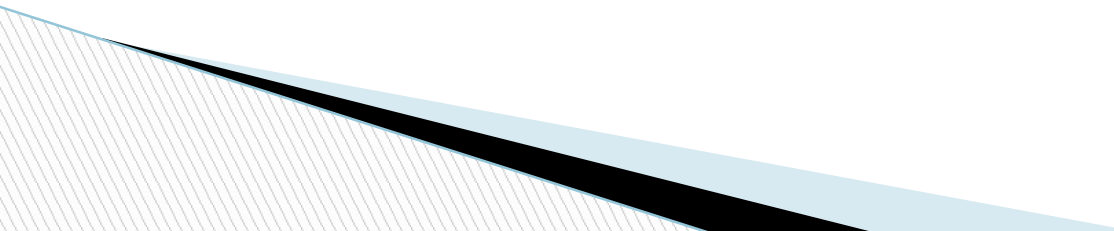

# HHS AP Five-Year School Score Summary

|                                       | 2022 | 2023 | 2024 | 2025 | 2026 |
|---------------------------------------|------|------|------|------|------|
| Total AP Students Tested              | 221  | 310  | 370  | 376  | 410  |
| Number of Exams                       | 263  | 425  | 417  | 455  | 410  |
| AP Students with Scores 3+            | 77   | 102  | 94   | 119  | 159  |
| % of Total AP Students with Scores 3+ | 29%  | 33%  | 23%  | 32%  | 39%  |

Data from College Board Reports

# Benefits of AP Exam

- ▶ More than 90 percent of four-year U.S. colleges and universities grant credit or placement for qualifying AP Exam scores.
  - ▶ Can allow students to bypass intro-level coursework or make it easier to double major or study abroad.
  - ▶ AP students are more likely than their peers to complete college within four years.
  - ▶ Students who take AP Exams say it makes them feel more confident and prepared for college.
  - ▶ Taking the time to study for AP Exams helps students better retain all that they learned in class, and is likely to prepare students for other college coursework in the subject.
- 

# Dual Credit and On Ramps

| Feature       | Dual Credit                                                | OnRamps                                                                 |
|---------------|------------------------------------------------------------|-------------------------------------------------------------------------|
| Instructor    | High school teacher or college professor.                  | Co-taught by a high school teacher and UT faculty.                      |
| Credit        | Automatically posted to a college transcript upon passing. | Option to accept or decline the college credit at the end of the year.. |
| Prerequisites | Requires TSI/SAT/ACT score.                                | Open enrollment; no TSI required to take the course.                    |

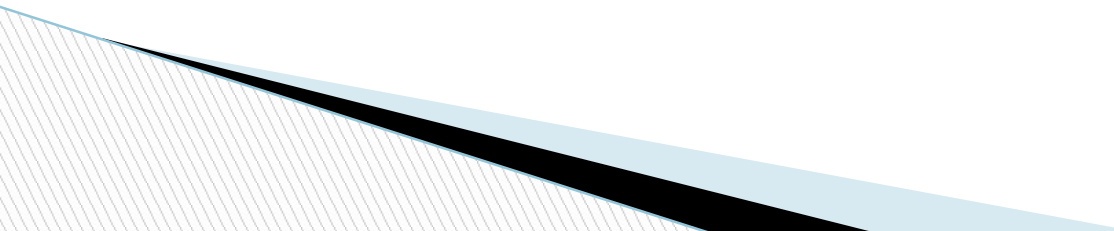

# Dual Credit

| Year      | Number of Course Enrollments | Number Passed | Percent Earning College Credit |
|-----------|------------------------------|---------------|--------------------------------|
| 2021–2022 | 309                          | 304           | 98%                            |
| 2022–2023 | 599                          | 594           | 99%                            |
| 2023–2024 | 443                          | 438           | 99%                            |
| 2024–2025 | 443                          | 438           | 99%                            |
| 2025–2026 | 342                          | 339           | 99%                            |

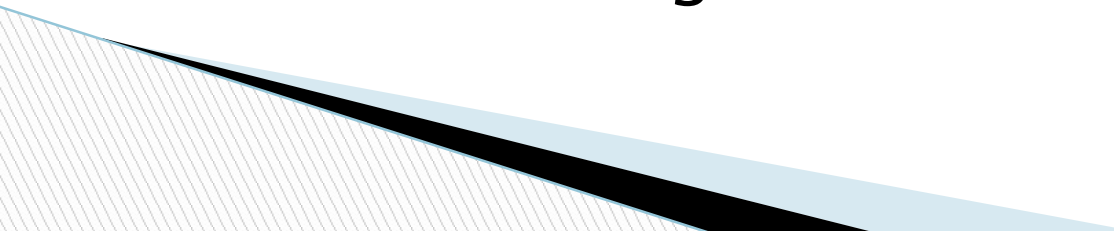

# On Ramps

| Year      | Number of Course Enrollments | Number Passed | Percent Earning College Credit |
|-----------|------------------------------|---------------|--------------------------------|
| 2025–2026 | 164                          | 140           | 85%                            |

Dual Credit and On Ramps helps a broad population of students realize that college is an option for them. It removes barriers for some of our students.

- It relieves the anxiety of having to pass one “all or nothing” test for college credit.
  - Builds confidence in their ability to be successful in college coursework.
  - Can earn college credits each semester
- 

# Choosing between Advanced Placement, Dual Credit and On Ramps

- ▶ Each program provides opportunities for students to earn college credit
  - ▶ Guidance counseling helps students understand options to make the best choices for their college, career and financial goals
  - ▶ Students can participate in all three programs to meet their goals
- 

|                          | Advanced Placement                                                         | Dual Credit                                                                                   | On Ramp                                             |
|--------------------------|----------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|-----------------------------------------------------|
| <b>Cost</b>              | \$99/exam<br>\$53 reduction for eligible students with financial need.     | \$40 to \$50 per credit hour<br>\$120 to \$150 for 3 hour courses<br>\$160 for 4 hour courses |                                                     |
| <b>College Credit</b>    | Based on one exam at the end of the year                                   | Based on tests and assignments given over the course of the semester                          | Based on grade student accepted for college credit. |
| <b>Program Admission</b> | Open enrollment                                                            | Meet College admission requirements                                                           | Meet Campus admission requirements                  |
| <b>Time</b>              | 2 semester courses                                                         | 1 semester courses (in most cases)                                                            | 2 semester courses                                  |
| <b>Passing Rate</b>      | Exam<br>2022 – 29%<br>2023 – 33%<br>2024 – 23%<br>2025 – 32%<br>2026 – 39% | Course<br>2022 – 98%<br>2023 – 99%<br>2024 – 99%<br>2025 – 99%<br>2026 – 99%                  | Course<br>2026– 85%                                 |

## Strategic Vision

# Looking Ahead: 2026–2027 Priorities

### campaign

#### PRIORITY 01

Expand awareness and access to advanced coursework.

### school

#### PRIORITY 02

Support student success in earning college credit.

### alt\_route

#### PRIORITY 03

Help students select pathways aligned with college, career, and financial goals.
