

SAMUEL W. HOUSTON ELEMENTARY

Building Champions by ensuring ALL students reach high levels of learning academically, behaviorally, and socially.

THE PRINCIPAL'S ADDRESS

October has been another exciting and productive month at SWHE!

Our theme, "Superheroes Unite," continues to come to life as our students, staff, and families work together to build champions who demonstrate

Strength - Will - Heart - Excellence!

One of our biggest areas of focus this month has been using student data to drive instruction and intervention. Our grade-level teams are creating data views that will allow them to take a closer look at individual student needs, identify specific skill gaps, and more intentionally target interventions. This work is helping our teachers make purposeful instructional decisions and ensure that every student receives the support needed to grow. We continue to embrace our goal of being 1% better every day.

Our annual Grandparents Luncheon was once again an amazing success! It was wonderful to see our students enjoy lunch and meaningful time at school with their grandparents and special guests. Opportunities like these continue to strengthen the connections we work to build with our families, and our community.

We also celebrated Homecoming with a week full of school spirit. Students enjoyed themed dress-up days, including Twin Day, Favorite Athlete Day, and, of course, Green Out Day! The excitement throughout the campus was a great reminder of the importance of building a strong and positive school culture.

I am incredibly proud and humbled to serve as principal of Samuel Walker Houston Elementary. We are building champions, getting 1% better every day, and continuing to move forward together. Thank you, Board, for your continued leadership, encouragement, and support of SWHE.
