

Eagle Mountain Elementary

BATESVILLE SCHOOL DISTRICT

Board Meeting Report
October 12, 2026

School Improvement Goals

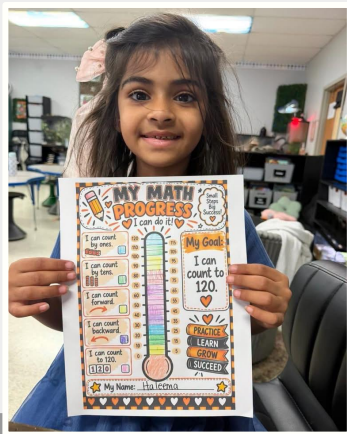

Goal 1: Deliver High Quality Data Driven Instruction

Goal 2: Improve Parent and Community Engagement

Goal 3: Ensure a Safe, Supportive and Collaborative Environment

Goal 4: Focus on Growing 3rd Grade ELL ELA Scores

Academic Highlights

1st Grade: Data Tracking

Our first graders are learning to take ownership of their growth. They set goals, track their progress, and reflect on what they can do next to reach them.

3rd Grade: Animal Classification

Our 3rd graders are currently learning about animal classifications through informational texts. The purpose is to use text features to help them understand what they're reading.

5th Grade: Egg Drop

After reading *The Science of Unbreakable Things*, our fifth graders put their engineering skills to the test. They designed ways to protect an egg, then tested their creations by dropping them from a fire truck. It was an exciting way to bring their reading and science learning together!

Community and Family Engagement

First Community Bank Savings Day

Teaching students how to save money, budget, and make responsible financial choices.

9/11 Memorial

Honoring our local heroes (police, fire, EMS) and teaching students the importance of service and remembrance.

BINGO

We aim to increase family engagement by 25% over the next 5 years through monthly campus events, more frequent communication, and informal connections with parents at afternoon pickup.

Safe, Supportive and Collaborative Culture

ATTENDANCE

Goal: increase student attendance from 95.61% to 97.11%

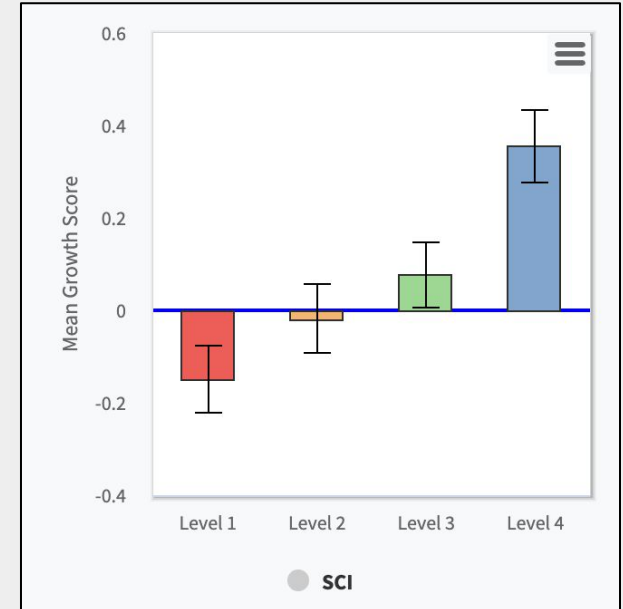

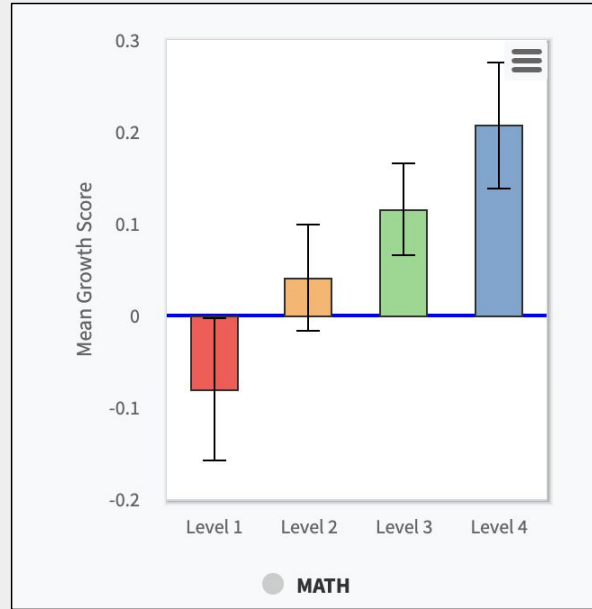

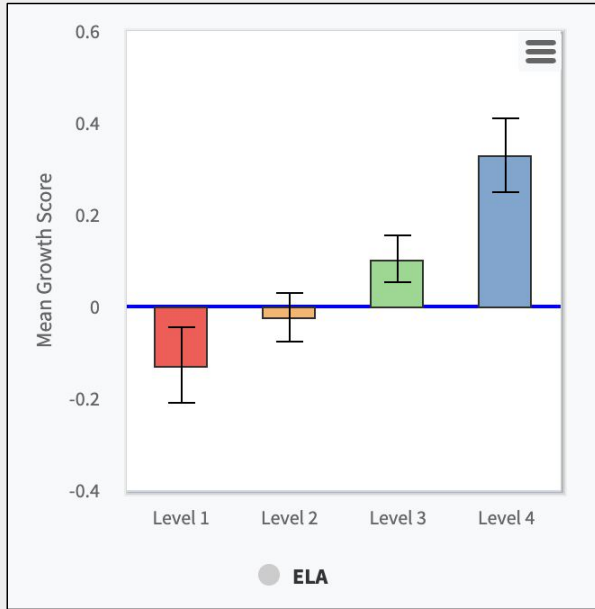

- Daily Phone Calls
- ParentSquare messages requesting absentee documentation reminders.
- Reward students with perfect attendance monthly

D.A.R.E

Partnered with Officer Chris Martin to teach our 4th and 5th grade students about the Decision Making Model that will assist them in problem solving, being a good citizen and help them make wise decisions.

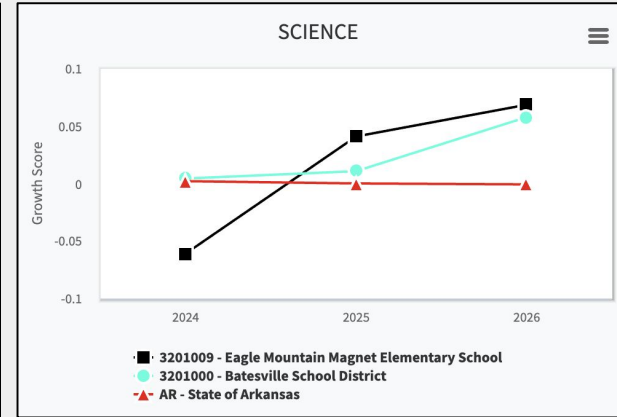

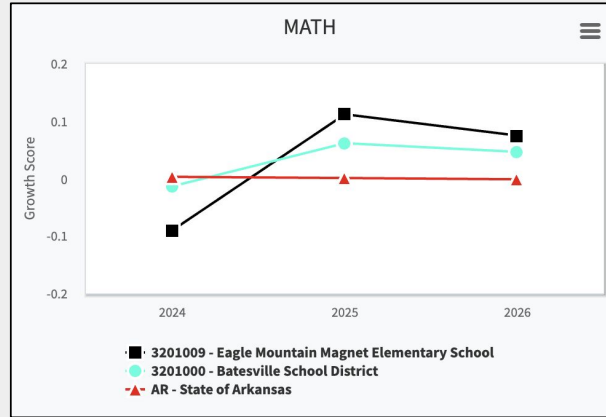

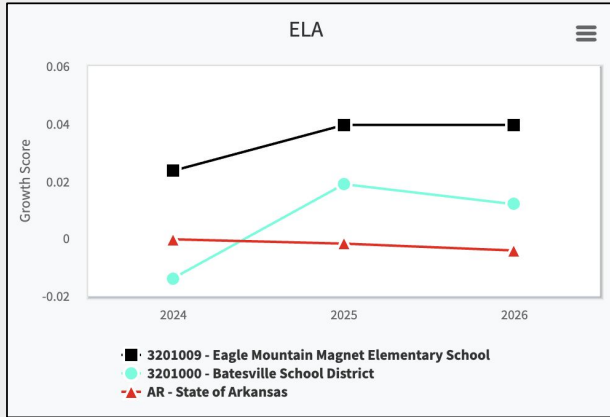

EME ATLAS Growth

Focus Areas for Growth:

- Bottom 25%
- Levels 1 and 2
- 3rd Grade ELL Students

EME ATLAS Growth Over Time

Highlighted Growth:

- ELA 43% Met/Exceeded Grade Level
- Math 54% Met/Exceeded Grade Level
- Science 48% Met/Exceeded Grade Level
- 80% of our 3rd grade students met their Math Growth targets.

Takeaway

State Report Card: B

Student Success: Our goal is to see students thriving academically, socially, and emotionally.

Staff Excellence: Teachers and staff are going above and beyond to support growth.

Community Support: Families and community are an integral piece to student progress.

Takeaway: With targeted support, strong instruction, and community partnership, we are building momentum and setting students up for greater success.
