Background:

Kenyatta McCarty, executive director of human resources, will review Policy 722: Public Data and Data Subject Requests. The proposed revisions reflect legislation enacted by the 2026 Minnesota Legislature.

Per board policy 209, if a policy change is driven by a change in law or is a minor revision, the board may choose to condense the first and second reading into one session. Accordingly, administration will be requesting one reading of the policy and board action on the revisions this evening.

Recommendation:

It is recommended that the board approve revisions to Policy 722: Public Data and Data Subject Requests as presented.
