

RTMS Goal Update

October 13. 2026

ALIGNMENT

HIGHLIGHTS

DISTRICT GOALS

Impact Audit

Ensuring the page is actually worth reading.

Efficacy & Adjustment

Making sure the work is moving the needle.

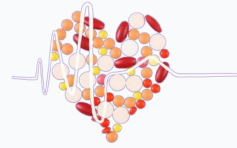

ROI Optimization

Pruning the "good" to make room for the "great."

RTMS GOALS

Heart Ready

Cultivate a learning environment where students feel connected, supported, engaged, and empowered to grow academically and personally

Reading Growth

65%

Students hitting projected NWEA growth fall to spring.

Math Growth

68%

Students hitting projected NWEA growth fall to spring.

WHY INVOLVEMENT MATTERS

Building Independence

- Exploration of personal passions
- Fosters self-reliance and initiative

Forging Relationships

- Increased opportunities for peer collaboration
- Community trust drives classroom confidence

Autonomous success carries into the classroom

**Relationships before routines. Culture before content.
Connection before compliance.**

RTMS GOALS

Reading Growth

65%

Students hitting projected NWEA growth fall to spring.

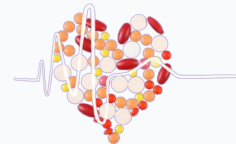

Math Growth

68%

Students hitting projected NWEA growth fall to spring.

Heart Ready

Cultivate a learning environment where students feel connected, supported, engaged, and empowered to grow academically and personally
