

IXL School Success Package

The IXL School Success Package is tailored to your school and schedule, giving you a highly flexible, custom PD plan for your IXL implementation. We'll give you and your teachers the tools you need to confidently implement IXL into your daily instruction and achieve your goals.

This package includes:

Planning call: In this 30 minute call, your dedicated IXL Professional Learning Specialist will collaborate with you to create a professional development schedule that meets your needs.

On-site professional learning: We will conduct one day of on-site PD, and your IXL Professional Learning Specialist will work with you to customize the content of the session to best support your implementation.

Virtual professional learning: We will deliver two 60-minute* virtual PD sessions, scheduled to fit your needs and availability. Your IXL Professional Learning Specialist will work with you to select the topic for each session and personalize the content to support the specific implementation models and goals of each audience.

*90-minute sessions are available for extended hands-on-learning opportunities and Q&A

Example session topics include:

- IXL for beginners
- Advanced strategies for experienced users
- Using the IXL Diagnostic
- Using IXL Administrator Analytics
- IXL for early elementary teachers
- IXL for high school teachers
- IXL for science and social studies
- Supporting tiered intervention
- Using IXL's personalized study plans to accelerate growth
- IXL for standards-based instruction
- Data review with school leaders
- Using IXL to measure progress of IEP goals
- IXL for small-group instruction

Data review: We will schedule a consultation call to discuss your school's progress within IXL and confirm areas of achievement, address any challenges, and optimize your use of the platform to exceed your goals.

Cost: \$4,500

Package can be supplemented with additional à la carte professional development sessions
