Background Information

In accordance with Texas Education Code §33.021 and the requirements established through Senate Bill 13 (SB 13), Weatherford ISD established a School Library Advisory Committee (SLAC) to support the district's compliance with state library standards, legislation, and policy. The SLAC process provides a structured review of proposed library materials to ensure recommendations align with applicable state requirements, Weatherford ISD Board policy, and district library collection development guidelines.

On September 29, 2026, the WISD School Library Advisory Committee convened to review proposed library materials for addition to district school library catalogs.
