Background Information

The annual report of funds received from sources outside of the District for the 2025-2026 fiscal year is attached for review. This report provides an overview of the funds received from external sources, beyond local tax revenue, state funding, and federal revenue, that have contributed to the District's General Operating Fund for the 2024-2025 fiscal year. These sources include donations, sponsorships, facility rental fees, investment interest, and any other financial contributions that support district operations, programs, and initiatives.
