Superintendent's School Board Report – October 19, 2026

"Chart. Navigate. Anchor.
We are here to help our Students……..
Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and Anchor Themselves In Our Community."

Reminder: Aaron will be participating in the October meeting remotely. Thank you for allowing this!!!

CORRESPONDENCE

OSBA Road Show at SCESD – Thank you for your attendance on Tuesday, September 22 from 6-8:30pm.

OSBA Annual Convention – November 12-14 in Portland. Aaron is a maybe.

JPR Radio Report – Theo Greenley – I talked with him after the report. He had no further questions. I do have discussion for us to have regarding when we are queried as an individual by someone looking for a Board response.

BOARD

Aaron's Work – This month Aaron has been working with admin and staff on professional development activities planned for the year. I continue to complete ODE and specific grant reports. We have had two Long Range Facility Planning Committee meetings. I have been working to develop future CTE options for our students as well, in the areas of Health Care Professions and Early Childhood Development.

Individual Board Member/Superintendent Meetings: Please set a time.

STUDENTS/ACADEMICS

Enrollment – Enrollment is officially up. We have 241 students in the district with 45 of them participating in our Southwest Oregon Family Academy through both Driftwood Elementary and Pacific High School. That number is up from 228 students enrolled at the end of last year.

STAFF

October 9 was Statewide Inservice Day and the vast majority of our staff participated in Professional Development activities around Multi-Tiered Systems of Support in Coos Bay through the South Coast Education Service District.

BUDGET

Nothing new at this time.

FACILITIES

Long-Range Facility Planning Committee – Mr. Kyle Laier with Assist Education Services LLC, David McKay with HMK Co. and Marlene Gillis with Soderstrom Architects are facilitating these meetings. Two have been held so far with the next ones scheduled for October 20, and November 17. This group of staff, students, parents, administrators and Board members will work to prioritize projects most critical to District performance, goals and need, then determine potential methods for funding those projects.
