

School Board Report – October

6 - 12 Principal Julie Granberg

Homecoming:

Another year of homecoming was a success. The students and staff had a great time with dress up days and at the football game with the burning of the W and fireworks. Thank you student council for a successful homecoming week!

Testing: We have completed our Fall FAsTbridge testing and will look at data to determine students who need to take the CAPTI in 6-12 grade.

Dog Visit: We had our first dog visit in late Sept. and I like to report nothing was found at this time in the school.

[Newsletter](#)

Enrollment: As of Sept. 8 we have in the high/middle school 32 new students and 17 that have left to other schools or to online. We are excited to have new faces in the building and the students have welcomed them into our WHA community.

Grade	Sept.9	Oct.	Nov.	Dec.	Jan.	Feb.	Mar.	April.	May
6	55	57							
7	56	58							
8	53	53							
9	56	55
