We look forward to celebrating with everyone during National School Lunch Week!

Pizza Daze Craze

For the promotion, we featured specialty items including Stromboli and Taco Pizza in our school cafeteria during the lunch period. These menu specials were promoted through cafeteria signage and announcements to encourage students to try something different. The Taco Pizza was especially popular, offering a fun twist on a familiar favorite, while the Stromboli provided a hearty grab-and-go option. Student feedback has been very positive, with many students commenting on the great flavor, variety, and freshness of the offerings. The success of these promotions has helped generate excitement around our lunch program and increase student participation.
