

**BOARD OF EDUCATION
LULING INDEPENDENT SCHOOL DISTRICT**

AGENDA ITEM: Action Item	Date: October 19, 2026
SUBJECT: Consider Approval of the Amendment to Board Operating Procedures – Lodging Expenses	Submitted by: JoAnn Garza-Mayberry Related Pages: 2 Pages
BACKGROUND INFORMATION: The Board's current Operating Procedures follow the district's employee travel guidelines, which do not provide reimbursement for lodging when attending conferences or professional development within a 70-mile radius, including Austin and San Antonio. At the request of a Board member, a proposed amendment is being presented for consideration that would allow each Board member to select one conference annually in either Austin or San Antonio for which the district would cover lodging expenses, regardless of the 70-mile restriction. This would be in addition to the annual conference in Galveston for which lodging is currently provided. The Board will consider whether to approve this exception to the existing travel guidelines as part of its Board Operating Procedures. If this motion passes, the BOP will be amended and brought to the November meeting for approval and signatures.	
RECOMMENDED ACTION: Motion to approve the Amendment to the Lodging Expenses Section of the Board Operating Procedures.	BUDGETARY INFO. None

Board President's Approval:

Superintendent's Approval:
