Wharton County Junior College

Board of Trustees
Agenda Item

Date of Board Meeting: October 20, 2026

Recommendation: Approve purchase and installation of equipment for the Corporate Training Center in the Bay City Skilled Trades Facility.

Background and Rationale:

Administration requests Board approval to proceed with audiovisual upgrades at the Bay City Campus in support of the College's expanding Skilled Trades facility as part of the special appropriations received in the 89th legislative session.

The proposed project includes comprehensive audiovisual system equipment and installation designed to support advanced instruction within the Corporate Training Center and its use for workforce instruction, industry training, and partner engagement. The audiovisual enhancements include installation of a large-format instructional display and supporting equipment within the space to improve teaching, collaboration, and learner engagement.

RockIT Consulting LLC was awarded TIPS contract 250106 for "Technology Solutions Product and Services". Utilization of the cooperative purchasing contract satisfies applicable State of Texas procurement requirements and provides the College with a competitively solicited source for these services.

Budgetary Implications: $12,510 (Special state appropriations – Skilled Trades)

Resource Personnel: Amanda Allen, Ed.D., President

Approval:

Amanda M 10/13/26

President

Terms and Conditions

Terms And Conditions (rockit-consulting.com)

RockIT reserves the right to adjust pricing in the event of increases in supplier costs, including but not limited to those arising from tariffs, regulatory changes, or other external economic factors beyond RockIT's control. Any such price adjustment shall be documented through a written change order, which must be mutually agreed upon and executed by both parties prior to the implementation of the revised pricing.
In the event that a new change order cannot be mutually agreed upon, the Customer shall remain responsible for payment of all work completed up to that point. RockIT will, in such cases, proceed to complete as much of the remaining work as is reasonably possible within the limits of the original agreed-upon amount. Quote provided as a pass through favor with a subcontractor chosen by customer, any issues with project should be directed to subcontractor. RockIT is not responsible for the project or the outcome.
