As outlined in Article 20, teachers who develop new curriculum or significantly revise existing curriculum with administrative approval are eligible for a stipend of \$500 for a one-semester course and \$1,000 for a two-semester course. Where two teachers share a project, the payment is divided according to the percentage of assignment shown. Upon Board approval, writers will be notified to begin the writing process. Completed projects, including a course introduction, a curriculum map aligned with Illinois State Standards, summative assessments, and instructional materials, will return to the Board for final approval before payment is processed.
