Greeting

How Are You Feeling?

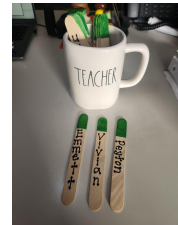

1. Think

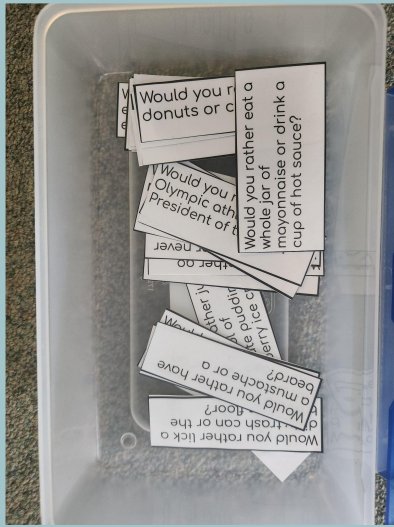

2. Share with partner

3. Share whole class

A blue plastic container, possibly a Tupperware, is shown from a top-down perspective. It has a white circular label in the center. The label has a blue dashed border and the text "Question JAR" written in a black, handwritten-style font. The container is sitting on a dark, textured surface.

1. Think
2. Share with partner
3. Share whole class

Now it is your turn to participate!

Would You Rather?

Would you
rather have 100
bricks of gold or
100 rocks?

Joke

Today's Joke:

What does the janitor yell when he comes out of the closet?

Student Voice • School Improvement • Stronger Together

This year:

4th and 5th grade town halls to learn WHY students answered the way they did for Supportive Environment.

PAC picks areas to problem solve and creates action plans.

Strategic Plan *in action*

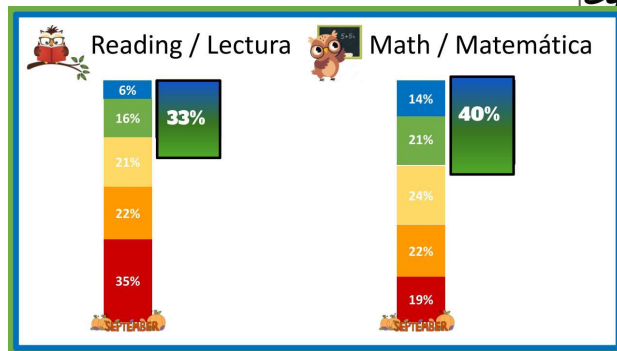

Wegner is ready to Reach Higher & Achieve Together

Goal: Student Achievement

- Continuing to refine MTSS process
- Making data visible to students
- PDSA cycles with grade level teams
- Attendance focus
- Focus on REACH instructional strategies

Goal: Engaged Learning

- Student ownership of Core Values
- Student Mentoring
- We are Wegner - Family Culture Night

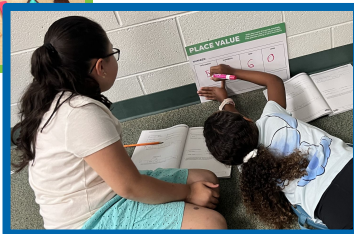

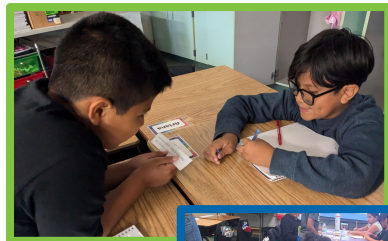

School Improvement

REACH at Wegner

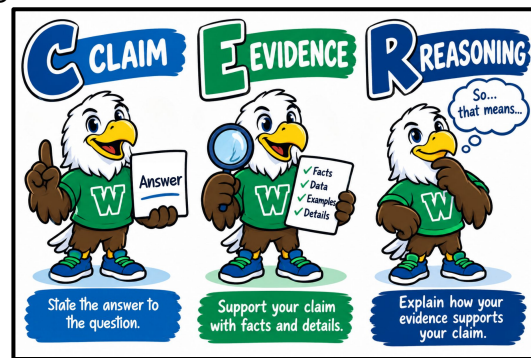

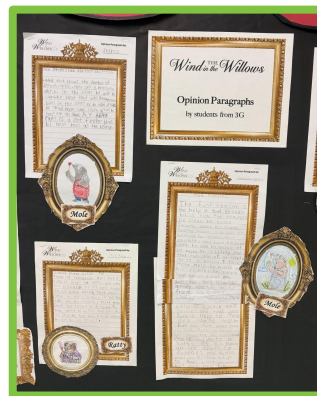

Engagement

Students are **actively participating**, thinking, discussing, and **invested** in learning

Academic Writing

Students develop clear, structured writing that effectively communicates ideas. They write to **explain** thinking, **justify** answers with evidence, and **communicate** understanding using **academic** language..
