Special education is not one program. It is a coordinated system serving students from early childhood through age 22.

FOCUS

2026-2027 Improvement Goals

1

Support inclusive models of instruction at the secondary level- increase access to grade level materials.

2

Implement language screeners for students in K and 1st grade and provide classroom interventions in response to findings.

3

Provide PD to special education educators in collaboration with Teaching and Learning to guarantee a viable literacy curriculum is being taught to ALL students. (SIPPS, CKLA, Bridges, SAVVAS, etc.)

4

Essential Elements teachers will complete training on the DLM through USBE.
