Dear Records Officer,

Pursuant to the **Illinois Freedom of Information Act (FOIA) – 5 ILCS 140/1 et seq.**, I respectfully request copies of any existing records showing **district-issued direct work telephone numbers, direct dial lines, or work extensions** for employees currently serving in the district's **Central Office / District Administration Office**.

This request is limited to **official district work contact numbers only**. I am not requesting personal cell phone numbers, home phone numbers, or privately maintained contact information.

If this information is maintained in a staff directory, central office phone list, internal contact list, telecommunications record, or similar existing record, an electronic copy is sufficient.

If any portion is denied, please cite the specific statutory basis and release all reasonably segregable non-exempt portions.

This request is made for non-commercial, informational purposes. Electronic delivery by email is preferred.

Sincerely,

Dear Dr. Hampton,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I am submitting this request, made for a commercial purpose, for copies of the following records:

1. Any contracts or agreements in effect at any time between January 1, 2023 and the present, between Joliet Township High School District 204 and third-party providers or individual independent contractors for speech-language pathology (SLP), occupational therapy (OT), and/or physical therapy (PT) services, including but not limited to staffing agencies and independent practitioners.
2. The associated hourly rate(s) or fee schedule(s) paid under each such agreement.

If more than 10 such contracts exist within this date range, please provide the 10 most recent.

Please provide these records electronically (e.g., PDF), in whatever format they are already maintained, to minimize the burden of production on the District.

If any portion of this request is denied, please cite the specific statutory exemption(s) relied upon and release any reasonably segregable non-exempt portions.

Thank you for your time and assistance.

Sincerely,
Jordan Reese

Subject: FOIA Request: Purchase data

CAUTION: This email was sent by someone outside of JTHS District 204. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear FOIA Officer,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.), I am requesting existing electronic records maintained by Joliet Township High School District 204 reflecting payment records for all vendor entities (companies, organizations, contractors, and other non-person payees) from January 1, 2026 to current date, including at minimum:

- Purchase date
- Vendor name
- Line-item description
- Line-item amount

If vendor names are coded, please include the existing vendor list/key.

Examples of responsive records: AP vendor history, check register, procurement report, PO detail report, warrant/claims report, PO history report. These are illustrative only. Any existing report containing the requested fields is responsive. I am not requesting creation of a new record.

This request concerns non-person transactions. If personnel payments (payroll, stipends, reimbursements) appear in the same report, no separation is needed; the report as-is fulfills this request.

I am requesting existing electronic records only (no copying, scanning, or printing).

If misrouted, please forward to the correct contact and reply with that contact's information.

If denied in whole or part, please cite the specific exemption for each denial and provide all segregable non-exempt portions.

Please reach out if any clarification would help expedite this request.

Thank you for your attention and cooperation.

Sincerely,

Justin Wenig

- * I am requesting existing electronic records. Paper documents do not need to be printed or scanned.
- * If another office maintains these records, please forward this request to the appropriate office and share its contact information with me.
- * If fulfilling this request will incur any fees, please provide an itemized estimate and obtain my written approval before beginning any billable work.
- * If any responsive information is withheld, please identify the applicable exemption and provide all reasonably segregable non-exempt records.
- * Your agency may have recently responded to a similar request from SmartProcure or Starbridge. If it is easier, please provide the same files that you provided in response to those requests.

Dear Records Officer,

I hope you are doing well. Thank you for your time and for the work you do.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I am requesting an electronic summary of purchase orders (not the individual purchase orders themselves) issued by Joliet Township High School District 204 from March 1, 2026 to July 31, 2026.

This report may also be referred to as an accounts payable summary, check summary, check register, bill or claims report, or vendor analysis report. Any spreadsheet or report that lists vendor names and amounts paid would be fully responsive to this request.

If available, please include:

- Vendor name
- Description of purchase or payment
- Total price or amount paid

If vendor names are coded, please include the code key if it's easily available. We're happy to accept whatever form this data is already maintained in — raw exports or standard reports (Excel, CSV, or PDF) are perfectly fine. We will accept partial data if you do not have a document with each of the above components or the entire timeframe requested.

If another department is better suited to handle this request, I'd appreciate it if you could forward it to them or share their contact information.

If any part of this request is withheld, please provide the specific statutory exemption and release all non-exempt portions.
