Activities Board Report
October 19, 2026

Girls Tennis:
On Tuesday, October 13th our Varsity Girls Tennis team competed in the section 6A Team Tennis competitions. They won both of their matches, becoming the section champions and punching their ticket to the State Tournament! The start tournament will begin on Tuesday, October 27th at the Inner City Tennis facility in Minneapolis.

Our girls tennis program will continue on with the Individual section tournament on Wednesday, October 14th, and Tuesday, October 20th. We are optimistic that we will have multiple individual state entrants as well as our team!

Bernicks Family Foundation Grant:
Myself and Alyssa Stewart submitted a grant in September through the Bernicks Family Foundation. The focus areas for this grant were Youth Education and Youth health and Fitness. Successful applicants host programs that develop youth leadership skills, have aspects of community involvement, focus on teamwork, promote fitness, and engage in recreation and responsible lifestyles.

For this grant, we submitted for the maximum award of $40,000.00. If we receive the funds, we will focus on purchasing equipment that will support Youth and Adult Recreation through Community Education, 7-12 Activities, and PreK-12 Physical Education classes. Of the equipment that would be funded through this grant, we are focusing on programs that we have identified as needing extra support and have large areas of growth potential including, but not limited to:

- Track and Field recruitment and retention at a young age.
- Youth Football Development.
- Youth Basketball Development.
- Youth Volleyball Development.
- Swim Lessons.
- Adult Aquatic Aerobics.
- Junior High Strength and Conditioning.
