Vol. 35, No. 2 - July 2026 Replacement RECORDING OF IEP TEAM MEETINGS

Replacement Policy - Vol. 35, No. 2

2461 - **RECORDING OF IEP TEAM MEETINGS**

The District recognizes that parents may wish to record (this includes audio and/or video, including AI tools) IEP Team meetings in order to better understand the IEP process, their child's IEP, or to implement their rights as a parent for access accommodations under the IDEA, Section 504 of the Rehabilitation Act of 1973, and/or the Americans with Disabilities Act.

If a parent believes that recording an IEP Team meeting is necessary, the parent should notify Director of Pupil Services in writing, preferably at least two (2) school days before the IEP Team meeting, of the parent's desire to record the meeting and the reason the recording is required.

The purpose of advance notice is to promote transparency, ensure appropriate logistical arrangements, and allow the District to determine whether it will also record the meeting.

Recording of an IEP Team meeting, whether audio, video, or AI-assisted, shall not disrupt the meeting or interfere with the IEP Team process. If recording becomes disruptive, the District may suspend the meeting and reschedule.

If a parent records an IEP Team meeting, the District reserves the right to record the meeting as well.

Any recording made by the District shall become part of the student's education record and will be maintained in accordance with State and Federal law. Any recording made by the parent becomes a record of the parent, and the District has no responsibility for maintenance of that particular record.

The District is not responsible for the storage, security, or distribution of recordings created by parents or other participants.
