INFORMATION

FALL 2026 PARENT AND STAFF SURVEYS

PURPOSE

This report is presented to the Board of Trustees to provide an overview of the district's Fall 2026 parent and staff surveys.

OVERVIEW

Levelland ISD conducts parent and staff surveys to gather feedback regarding district and campus experiences, communication, school culture, and opportunities for improvement.

The surveys provide parents and staff an opportunity to share their perspectives and help district leadership identify strengths, address concerns, and guide continuous improvement efforts.

NEXT STEPS

District administration will review survey responses to identify trends, evaluate areas of strength, and determine opportunities for improvement. Feedback will be used to inform district and campus planning and support ongoing efforts to improve the educational experience for students, families, and staff.

BOARD INFORMATION

The Fall 2026 Parent and Staff Surveys are presented to the Board of Trustees for informational purposes. Survey findings will help inform district priorities and future improvement efforts.
