

UNITED TOWNSHIP

HIGH SCHOOL DISTRICT 30

TO: Board of Education
FROM: Dr. Jay Morrow
RE: FY28 School Calendar - Draft
DATE: October 14, 2026

The FY28 school calendar is presented in draft form for review. Final approval will likely take place at the BOE meeting on November 9, 2026.

There is little change compared to this year's calendar, with the exception of added school improvement days (SIP) to allow for additional curriculum review and assessment. The SIP days will all be a two-hour late start for students.

The preliminary draft has been shared with the UTEA and our partner elementary school districts for review and input.
