James Hood, Director **Jay C. Morrow, Ed.D., Superintendent**

October 14, 2026

To: Janice Roome, Comptroller

From: James Hood

Subject: BOE Donation Acceptance

I respectfully request that the UTHS Board of Education accept an in-kind donation from the St. Ambrose University School of Nursing, consisting of one patient simulation manikin and related equipment.

While the manikin is pre-owned and no longer meets St. Ambrose's requirements for high-fidelity functionality, it remains exceptionally well-suited for our curriculum and will serve as our program's most advanced simulation manikin.

This donation includes the following:

1. HAL® S3201 Patient Simulation Manikin (approx. weight 81.7 lbs; approx. length 70 inches)
2. Simulation tablet used to operate the manikin
3. Rechargeable manikin battery and power cord, with battery charger (input: 100-240V~, 50-60Hz, 700-500 mA, 50VA; output: 12V)

By accepting this donation, our students will gain additional opportunities for realistic patient-care scenarios at no cost to the district. This gift directly supports our health science and nursing program while strengthening our relationship with the SAU School of Nursing.

Thank you for your consideration.

James Hood
