Very excited about this idea!

Unsure if this would apply to this school year but the lack of full day is the reason we have Claire at Primrose. Would love this option and excited for future families to have a chance for this!

Pues pienso que yo ,como otras mamás o papás dejan de trabajar por el solo medio día de escuela para los peques dificultades para trabajar o simplemente el echo darlos a cuidar para poder sacar la jornada laboral .

Would this program only be available to in district families or out of district? Would there be a nap time?

At this time, our family has no need for a full day preschool program though if our family grows in the future that may change.

Very interested in preschool full day with before and after care!
