POLICY 2231

Transportation: School Site Selection

A. Generally

1. When school sites are selected, the Board will give consideration to the safety of the pupils riding school buses. The Board will avoid high density traffic flow near school exits and entrances. Proper site selection and plant planning for improved school transportation is extremely important. Specifically, consideration should be given to the factors outlined in the National School Transportation Specifications and Procedures.

   National School Transportation Specifications and Procedures Appendix D p. 437-439 (May2026)

B. Special Education

1. Pupils with disabilities require special care in transportation. All personnel in the District will abide by the standards in Standards for Utah School Buses and Operations and in the National School Transportation Specifications and Procedures regarding transporting students with disabilities.

   Standards for Utah School Buses and Operations p. 17-20 (2019)
   National School Transportation Specifications and Procedures p. 233-258 and Appendix G (May2026)
