0	92.71%
1	90.52%
2	91.75%
3	88.68%
4	86.21%
5	85.25%
Schoolwide	88.86%

Parent Square

We have had a smooth transition from Remind to Parent Square. This is our communication system to send messages out to families. There are still a handful of families not receiving messages, so we are working the bugs out. Mr. Joe has been sending out weekly newsletters via Parent Square and we have used it for messaging and parent alerts.

PBIS-Positive Behavior Intervention System

Our PBIS program is going strong. Each week we are focusing on a different area. At the end of the week the class that shows these positive behaviors wins the Golden Award. We are displaying each class on the windows in front of the office.

Staff Spotlight

Wow! We were able to get all of our students fed and out the door in 30min. Thanks to the entire staff for pitching in to make sure all our kids received lunch and were dismissed in an organized, timely manner. It's good we don't have to do these things often, but we definitely schooled together.

Arts & Curriculum

We had our first Arts Action Committee meeting. We plan on meeting twice per quarter to evaluate how we are implementing art in the district and ensure we are focusing on funding areas of need.

Island Music has reorganized their format and we will not be able to have an all district concert this fall. Musicians will still come and perform showcases for each of the buildings that will include Q & A's with students.

This year is our to look at our Math & Science programs across the district. I will put a team together to look at data and evaluate our current programs. This will help us decide if we need to make adjustments or major changes to our curriculums.
