

MEMORANDUM

TO: Board of Education
FROM: Taw Lindsey
Superintendent of Schools
RE: ACTION ITEM
Date: 10-20-2026

Status: Seeking Board approval for the purchase of light weight, mobile stage platforms & stairs for large school events from Live Tour Tech in the amount of \$15,000.

- Cost of materials and shipping to Seattle, WA: \$12,926.00
- Contingency: \$2,064.00
- Total: \$15,000.00

- Funding Source: \$2,000 from Arts Grant and \$13,000 from the CIP fund.

Option 1: The Board may choose to approve the above action item as listed.

Option 2: The Board may choose to *not* approve the above action item as listed.

Recommendation: The Superintendent recommends the Board to approve the above action item as listed.

Issue Summary:

The MHS stage is not large enough to host large graduation, promotion, and music/ theater events. Currently, we use large, heavy, wooden platforms and a stair case to accommodate these types of activities. They take up an enormous amount of space to store. We are also risking back injuries to move them to and from the stage. Light weight, mobile stage platforms and stairs will resolve these issues. One 16" high platform will go on the stage to raise the back row of students during graduation and promotion events. Another 36" high platform will go on the gym floor, in front of the stage to extend it out by 4'. Both platforms will come with mobile stair cases.
