**"THE CONFERENCE WAS VERY INFORMATIVE AND INSPIRATIONAL.
THE KEYNOTE SPEAKERS WERE PHENOMENAL.
THEY REJUVENATED ME BY REMINDING ME WHY WE TEACH."**

- 2026 National ESEA Conference Attendee

WHAT IS THE ESEA CONFERENCE?

The National ESEA Conference is an annual project of the National Association of ESEA State Program Administrators (NAESPA) and the only conference focused entirely on federal education programs for disadvantaged students.

The Elementary and Secondary Education Act (ESEA) was signed into law in 1965 by President Lyndon B. Johnson as a legislative priority of the "War on Poverty." Title I, Part A is the largest federally funded ESEA program designed to address the educational needs of underprivileged children. The adjacent Elementary and Secondary Education Act (ESEA) and related programs serve as the cornerstone for all sessions and programming of the National ESEA Conference:

- **TITLE I, PART A** - Education for the Disadvantaged
- **TITLE I, PART C** - Education of Migratory Children
- **TITLE I, PART D** - Neglected & Delinquent
- **TITLE II, PART A** - Supporting Effective Instruction
- **TITLE III, PART A** - English Learners & Immigrant Education
- **TITLE IV, PART A** - Student Support & Academic Enrichment
- **TITLE IV, PART B** - 21st Century Community Learning Centers
- **TITLE V, PART B** - Rural Education Initiative
- **TITLE VI, PART A** - Indian, Native Hawaiian, and Alaska Native Education
- **TITLE VII, PART B** - McKinney-Vento Homeless Assistance Act, Education for Homeless Children and Youth
- **IDEA** - Individuals with Disabilities Act (Special Education)

This year's theme: **Empowering VOICES, Building FUTURES**

"EDUCATION IS NOT PREPARATION FOR LIFE; EDUCATION IS LIFE ITSELF." - JOHN DEWEY

Teachers and other school leaders inspire students to learn wherever their life path may take them. At the National ESEA Conference, our shared goal is to maximize the benefits of federal programs and funding for student success. We believe that engaging in high-quality professional development contributes to growth in knowledge, leading to increased student success. We know that effective teachers and school leaders have lifelong impacts on students' lives. During my tenure as a state ESEA program administrator at the Wisconsin Department of Public Instruction, I have the opportunity and honor to work with and learn from teachers and school leaders from across the state. I have seen firsthand the value of empowering educators. When teachers and other school leaders apply their training, align learning to standards, and engage families in learning, outcomes for students improve. I am often reminded of my third-grade teacher, Mrs. Klar, who cultivated a classroom culture built on positive relationships where all students felt valued and important. She inspired me to be curious and partnered with my parents to help me find my voice. Together, they built my confidence to explore new and different interests throughout my K-12 and secondary education. The National ESEA Conference is a tool to empower educators from across the country to use their voices to influence their classrooms and communities. In turn, empowering students to find their voice to learn, grow, and build successful futures.

-Shelly Babler, NAESPA Conference Planning Committee Chair
