

UNITED TOWNSHIP

HIGH SCHOOL DISTRICT 30

To: Board of Education
From: Janice Roome, Comptroller
CC: Dr. Jay Morrow, Superintendent; James Hood
Date: October 19, 2026
Re: Request permission to re-bid building trades house foundation

Background Information

At the September 14, 2026 meeting, the board of education approved seeking bids for the foundation of the next building trades house if necessary.

Administrative Considerations

The bid notice was published as required for a bid opening at 2:00 on October 14, 2026. The Area Career Center also sent requests for bids directly to local contractors. No bids were received.

Options Considered

According to school code, we are required to re-solicit or rebid the project with modified terms if necessary and/or expanded vendor outreach. The Area Career Center has contacted one contractor that was expected to bid and two additional local contractors. All three have indicated that they are willing to submit a bid if we seek bids again with a new date. We would publish notice for the bids and open them in time for approval at the November board meeting.

Area Career Center

Recommendation

We recommend the Board of Education approve seeking bids for a second time.
