Re: Information on Bond Issuance

Background Information
At the September 14 meeting the Board approved issuing a notice of intent to issue bonds. The board president signed an order calling for a Bond Issuance Notification Act (BINA) hearing and a notice was placed in the newspaper as required.

Administrative Considerations
The BINA hearing will be held at the beginning of the October 19 board meeting. October 19 also marks the end of the 30-day petition period.

Options Considered
The first draft of the Preliminary Term Sheet will be presented during the Comptroller's report at the October 19 meeting. Comments on this first draft are due to PMA by October 23 with a second preliminary draft being issued October 26.
