Dear Chief Andy Marceau,

Thank you for meeting with me regarding a new Road Rescue ambulance. During our last meeting you expressed a desire to investigate a Road Rescue, due to the department having them many years ago. Since we also sell Road Rescue, it was an easy transition to that brand and model.

We are pleased to offer a 2027 Ford E450 Road Rescue Ultra Medic Type III 170" x 72" headroom model with a 10" cab setback. The price listed below includes everything noted in the forthcoming Work Order and corresponding drawings. Among the items to not, black over red paint, graphics to match your newest ambulance, black painted wheels, black AliArc bumper/grille guard, blackout package, all LED lighting, interior and exterior, a Stryker Power Load and Power Pro II cot, and radio install through Grand Traverse Mobile. Work Order and Drawings to follow before final build document to be signed.

Price; 2027 Ford E450 Road Rescue Ultra Medic Type III.....\$405,467.10

Terms; 10% deposit w/order, balance C.O.D. upon acceptance at delivery.

All discounts and rebates applied.

Should you have any questions or concerns, please do not hesitate to contact me.

Thank you for your consideration of Emergency Vehicle Plus and Road Rescue Ambulances.

Sincerely,

Scott A. Schalow, Ambulance Sales Manager, Emergency Vehicles Plus, Holland, MI
