Subject (What needs to be printed on the agenda): Staff Spotlight: Caleb McKamie		
Executive Summary (Brief description of agenda item): Caleb McKamie is a 2010 graduate of Gatesville High School and currently serves as a 6th grade social studies teacher at the intermediate campus. As a student, Caleb was a valuable football player, successful power-lifter, and member of NHS. During those formative years, Mr. McKamie learned the power of having adults support your endeavors. Thus, he has been paying that support forward by attending numerous events for his students. Caleb has built meaningful relationships as a teacher. Intermediate Principal Angie Pearson noted, "His impact does not stop when the school day ends. Whether it's a choir concert, band performance, or sporting event, Caleb can often be found in the crowd cheering on both current and former students. His commitment to showing up, supporting, and celebrating kids reminds them that they matter—not just as students, but as individuals. Caleb does not just teach his students; he shows up for them, and that makes all the difference." Please help us thank Caleb McKamie for his support of our GISD students.
