Subject (What needs to be printed on the agenda): Updated Strategic Action Plan		
Executive Summary (Brief description of agenda item): For years, we have been utilizing a strategic action plan that was developed by a large number of stakeholders. The plan was carefully and thoughtfully crafted and has been updated periodically over the years. The strategic plan has helped guide our district in many different facets. As part of an upcoming grant application, an updated strategic plan with our House Bill 3 goals is a required component. The Texas Strategic Leadership grant would provide the district with training and other resources over the next two years. The following one page document outlines our vision, mission, HB 3 goals, priorities, and expectations for student experiences. Members of the Region 12 staff have also assisted us with crafting this document.
