Principal's School Board Report
Mitkof Middle School/Petersburg High School
10/15/26

- The first quarter is nearing completion. Things are running reasonably well with a few issues with schedules that have been worked out.
- Parent-Teacher Conferences were better attended this last time than in previous years. We will continue to revise the plan and work to improve attendance.
- We are planning to hold the Veteran's Day Parade and are adding a brunch for the Vets in the Middle School commons. Ambre Burrell has been instrumental in helping to organize this activity. Many thanks to her.
- Invitations for the ELA Curriculum are out and we will have our first meeting at the end of this month.
- We had to postpone our Evacuation drill on Thursday the 15th, due to inclement weather. Apparently, I am not a great weather forecaster. We did hold our Earthquake drill as part of the Great Alaska Shakeout.
- MS Activity Day and Night have been scheduled for Oct. 30th. Parents were informed of attendance criteria via text earlier this month and will be reminded again as we approach the date.
- Jon Kludt-Painter and I restructured the District Curriculum Webpage and it should be uploaded soon. All documents were titled and organized to allow ease of access and recognition of clear content areas.

Student Counts: MMS = 123
PHS = 153
