EMPLOYMENT OF RETIRED TEACHERS

BP 4112.10

Note: ~~Effective November 8, 2018,~~ AS 14.20.136 authorizes schools districts and regional resource centers established under AS 14.12.150 to hire retired teachers in cases of teacher shortages. Retired teachers hired under this statutory provision may elect to continue receiving TRS benefit payments during the period of reemployment. A contract for reemployment of a retired teacher hired under AS 14.20.136 may not be for more than 12 consecutive months. Under AS 14.20.020(g), a retired teacher may teach as a long-term substitute for not more than 165 consecutive days of a school term.

If the teacher retired under the defined benefit retirement system, the teacher must be retired for at least 60 days if 62 years of age or older, or at least six months if under 62 years of age, before reemployment. In addition, if the teacher is reemployed by the same district that employed the teacher upon retirement, the teacher must certify that there was no prearranged agreement with the school district to hire the teacher after retirement.

Prior to the hire of retired teachers under this statute, the school board or regional resource center board must adopt a policy that permits the employment of retired teachers who are qualified to teach in those disciplines or specialties in which a shortage of teachers exists. The policy must describe the circumstances that constitute the shortage.

This optional policy may be utilized by districts desiring to hire retired teachers in cases of teacher shortages, as authorized by AS 14.20.136.

It is the policy of the Board that teacher vacancies be filled in a timely manner by qualified personnel. The District administration is authorized to employ retired teachers in accordance with AS 14.20.136 in cases of teacher shortages, and to notify the Administrator of the Teachers' Retirement System that it is hiring retired teachers pursuant to that statutory provision. This includes the employment of retired teachers at regional resource centers established under AS 14.12.150.

The hiring of retired teachers is authorized in those disciplines or specialties in which a shortage of teachers exists despite active recruitment efforts. A shortage is deemed to exist for those open positions that the administration has been unable to fill with qualified candidates, despite recruitment, public advertising for at least 10 business days, interviews, and the offering of positions to qualified candidates, if any.
