Nursing Operational Funds - \$5,695.25

TO: The Board of Trustees

FROM: District President H. Neil Matkin

DATE: April 28, 2015

SUBJECT: Recommendation for Approval of Reference 3829 - Sole Source Purchase of Four (4) CAE Fidelis Lucina Patient Simulators.

SCOPE: Purchase of four (4) CAE Fidelis Lucina Patient Simulators to be used in the four (4) isolation rooms of the new Health Science Center at Central Park Campus. Under the new Concept Based Curriculum (CBC), students are to be in lab on all 4 levels. Having mannequins in each of the four (4) isolation rooms will allow students from each level to perform skills at the same time. The "Lucina" mannequin was recently released and is essentially two mannequins in one, as the abdomen can be changed from a regular medical surgical patient to a full functioning obstetrics patient that will deliver a "live" birth. Two (2) of the mannequins and the related warranties will be paid for through the Nursing Shortage Reduction Over 70 grant provided by the Texas Higher Education Coordinating Board. The other two (2) mannequins and the related warranties will be paid for through the Health Sciences Center Building Fund. The On-Site Education Course will be paid for out of the Nursing Department's Operating Budget.

RECOMMENDATION: CAE Healthcare \$325,158.45
Sarasota, FL

Nursing Grant Funds - \$159,731.60
HSC Building Funds - \$159,731.60
Nursing Operational Funds - \$5,695.25

JUSTIFICATION: Sole Source.
