

FPC Rahll Campus Board Report October 2026

- Courtney and Christy travel to the Dalhart Prison Unit each Tuesday for office hours to meet with current students and prospective students. This has been successful. Five new students have been approved for next semester, and I will submit eight new students for approval on Tuesday.
- A team from FPC met with our Prison Education students to complete the FAFSA. We have the Math TSI scheduled for November 4th.
- Courtney and Christy will travel to Georgetown and Huntsville for the annual Prison Education Conference October 12-16.
- CDL classes have been full this fall, and we added a bus driving course this month. This year has been highly successful for our CDL program.
- Fall II ESL and GED have started. We have around forty-five students in ESL and ten in GED.
- The Dalhart EDC and City Council approved a grant for two VR welding devices through a vocational training grant. The 2nd reading and final approval will be later this month.
- Warren Cat donated \$5,000 to the Rahll Campus Diesel Program for training materials and equipment.
- Christy met with Windham regarding monthly reports and other documentation that is required for the PEP students.
- DPS will be on campus for final approval of the new CDL Testing and Training Facility.
- Dalhart High School students will be on campus on October 21st for Math TSI testing.
- EMT and CNA classes are going well. The students will begin clinicals soon.
- We held our quarterly TCOLE meeting on October 7th.
- The Rahll Campus Board meeting was held on October 7th.
- DHCHD, JBS, and Union Pacific Railroad held CE courses on campus the past month.
- Christy has met with the high school counselors regarding Spring 2026 scheduling.
