

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** October 20, 2026

**AGENDA ITEM:** Consider Approval of Purchase of Cellular Distributed Antenna Systems

**PRESENTER:** David Stevens, Chief of Police/Director of Safety & Security

### **BACKGROUND INFORMATION:**

- Alejo ISD (AISD) has multiple campuses with underdeveloped nearby infrastructure for cellular coverage.
- Two of our campuses have been identified as priority locations for needed improved cellular coverage support and the administration recommends installation of cell phone repeaters to improve coverage for safety related purposes.
- The district is currently conducting an assessment of the remaining campuses to determine vulnerabilities in coverage and plan for additional improvements as needed.
- The Board first discussed this at the September 22, 2026 Regular Board meeting.

### **FISCAL INFORMATION:**

The costs for these two campuses are \$83,599.71 and \$113,733.68, respectively, for a total of \$197,333.39. We have submitted an application for the 2026 COPS School Violence Prevention Program Grant to hopefully cover the costs of these two projects. If we are not awarded, we are prepared to find an alternative funding source.

### **ADMINISTRATIVE RECOMMENDATION:**

The Administration recommends the Board of Trustees approve the Purchase of Cellular Distributed Antenna Systems as presented.
