Our economically disadvantaged population is 20.5%. The percent of students receiving special education services is 20.5% and our students receiving ESL services is 4.9%. Additionally, we have 4.6% of our students receiving GT services.

Annetta is identified as a Title I school based on our demographics. Annetta is staffed with two campus administrators, one full-time counselor, one full-time-licensed vocational nurse, one full-time instructional specialist, one full-time campus librarian, thirty-one full-time certified classroom teachers, two and a half Dyslexia specialists, one part-time ESL paraprofessional, one part-time GT teacher, one full-time diagnostician, three full-time special education instructors, three Speech Therapists and three instructional aides.

At Annetta, we are dedicated to ensuring that students have opportunities to master skills and knowledge while creating exceptional experiences each day. Our state-of-the-art facility features collaborative pods with flexible seating, dedicated science lab areas, cutting-edge technology, specialized art and music classrooms, and a central library with maker space opportunities—all thoughtfully designed to support and inspire every student.

Strengths

- Annetta has a highly qualified faculty, certified in area of content.
- 100% of K-3 teachers have completed Reading Academies.
- Annetta faculty focuses on continuously growing as a team to meet the needs of all students, through the PLC process of each Collaborative Team.
- 97% of our core faculty staff are ESL certified - 100% of classroom teachers will be certified by the end of the school year.

Student Achievement

Summary

At Annetta, we assess our K-2 students using mClass to identify early reading indicators and to identify specific math needs. MClass includes progress monitoring to maintain an accurate pulse on student achievement and growth. In grades 3-5, students are assessed at beginning, middle and end of the year using the MAP NWEA assessment and at the end of the school year, with STAAR.

The mClass data shows **strong overall growth from BOY to EOY, particularly in Kindergarten**, while performance for economically disadvantaged (Eco D) and emergent bilingual (EB) students remains an area for continued focus.

- **Kindergarten:** Students at/above benchmark increased from **54% at BOY to 89% at EOY**, a **35-point gain**. Eco D students increased 39 points (31% → 70%), while EB students increased 38 points (33% → 71%).
- **1st Grade:** Overall performance increased from **76% to 82%** by EOY. Eco D students improved from 61% to 63%, while EB performance remained at **50%** across all three assessments.
- **2nd Grade:** Overall performance increased from **72% to 78%**. Eco D students increased from 38% to 44%, and EB students increased from 20% to 27%, although both groups remain significantly below the overall grade-level percentage.
- **Overall takeaway: Kindergarten demonstrated the greatest growth**, while **1st and 2nd grade maintained or increased overall benchmark performance**. The data also highlights a persistent achievement gap for Eco D and EB students, suggesting a need for continued targeted instruction, intervention, and progress monitoring.

Annetta Elementary earned an **Overall Accountability Rating of A (90/100)** for the 2025–26 school year, reflecting strong student outcomes and continued readiness for future success.

As a campus, we have developed and are improving upon processes and instructional practices that engage students through high quality instruction. The Annetta staff has worked to create a master schedule that allows for intervention and extension based on student needs. During WIN (What I Need) time, our teaching staff provides targeted instruction to strengthen skills and close learning gaps. Our Response to Intervention process allows for the identification of students for whom Tier 1 and Tier 2 instruction is insufficient.

In evaluation of our students' assessment data, our team has determined that a commitment to the workshop model will allow greater differentiation and engagement for students at all levels.

Strengths

- A strong climate and culture around high quality work and mastery of skills and knowledge
- Specific student intervention time in the master schedule to work with small groups, addressing individual student needs
- Teachers meet weekly in collaborative teams to disaggregate data & plan intervention and extension accordingly

Title funding will be utilized for:

- Campus Title IA: \$1,900: supplies for homeless students
- Campus Title I funds in the amount of \$87,349
- Campus Title II funds in the amount of \$2,640 will be utilized for professional learning for all staff
- District Title III ELA funding of \$23,734 will be utilized for supplies and tutoring based on needs.

Problem Statements Identifying Student Achievement Needs

	Problem Statement	Root Cause
1	Our economically disadvantaged and emergent bilingual students are not performing at the same academic level as the "all students" student group.	Instruction and intervention are not always matched to specific academic and language needs.

School Culture and Climate

Summary

As a campus, strong relationships among staff, students, and families are the foundation of our campus culture.

Annetta has implemented a House System to build community and reinforce positive behavior. Our students are our focus and the most important people in our school environment. Student leadership opportunities are available for our students within the classroom and through school wide programs such as Annetta LEADers, Morning Monitors, Welcome to Annetta Committee, House Leaders and Student Ambassadors.

We are committed to beginning each day with a Morning Meeting in every classroom that teaches positive character and relationship building skills through the Positivity Project. Our campus starts every other Wednesday with a House Meeting. Additionally, we celebrate students at our quarterly pep rally and celebration.

We have a Student of the Month program recognizing one student from each homeroom based on demonstrating taught character strengths. We also recognize positive student behavior with our “LEAD the Way Wagon” highlighting students who exhibit the LEAD expectations.

We also have a Guiding Coalition, composed of teacher leaders, which monthly checks the pulse of the campus, instructionally and culturally, and sets the tone for the collaborative work done throughout the school.

We host multiple Family Engagement Nights (including Fine Arts Night, Night at the Museum), a Fall Festival, and a Curriculum Night to incorporate families into our school culture and build positive partnerships.
