

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: October 20, 2026

AGENDA ITEM: Consider Approval of Purchase of of GoGuardian Annual Renewal

PRESENTER: Brooks Moore, Chief Technology Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Aledo ISD utilizes GoGuardian as part of its student technology management and safety environment. The proposed renewal includes GoGuardian Admin, Teacher, and Beacon, which provide complementary tools for managing and supporting student technology use.
- GoGuardian Admin provides internet filtering and monitoring for district-managed student devices, helping the District enforce appropriate-use expectations and provide students with a safe and secure online environment.
- GoGuardian Teacher provides classroom management tools that allow teachers to view and manage student activity on district-managed devices during instruction. Teachers can help keep students focused on appropriate instructional resources, manage browser activity, and provide additional visibility into student technology use in the classroom.
- GoGuardian Beacon provides student safety monitoring designed to identify online activity that may indicate a student is at risk of self-harm or other safety concerns and provides alerts to designated District personnel for review and appropriate follow-up.
- At the regular meeting in August, the Board of Trustees approved the District's annual software and licensing renewals. The GoGuardian renewal was not included in that presentation because the anticipated renewal cost was not expected to exceed \$50,000 and therefore was not anticipated to require separate Board approval. The final renewal cost exceeds that threshold, requiring the purchase to be brought to the Board as a separate action item.

FISCAL INFORMATION:

The total cost of these items is \$55,155 and will be paid from 2026-27 General Fund 199.
