Dear Superintendent, Chair, and fellow board members (BCC'd),

Please accept this email as my formal resignation from the Ashland School Board, effective October 16th.

As of October 17th, I will be stepping into the role of City Manager Pro Tem while our City Council conducts the recruitment for a permanent administrator. The responsibilities and obligations associated with my new position will be incompatible with continuing to serve on the Board - particularly given the focus, independence, and time commitment both roles deserve.

It has been an honor and a privilege to serve alongside you. Ashland has incredible board members, district staff, families, and community members who show up every day for our students. Because of this, I am confident in our community's ability to center our students, work together, and find our best path forward as we navigate the tough decisions ahead.

I look forward to continuing to support our district as a partner, advocate, and soon-to-be Walker Wolf parent.

With deep gratitude and even deeper love,

Jordan
