Agenda Item Caption: Discussion of District Calendar Options for the 2027-2028 School Year

Purpose of Agenda Item: Information only

Administrative Recommendation: Place on the next consent agenda to approve one of the proposed District Academic Calendar options for the 2027-2028 School Year, as presented.

Background Information: The 2027-2028 calendar was developed in collaboration with the district's Senior Staff and input was received at Cross-Divisional meetings and through the District Site-Based Decision Making (SBDM) Committee, the District Employee Advocacy Committee (DEAC), and the 2027-2028 Calendar Committee. In addition, Fort Hoods' Garrison Commander's office received and will provide feedback on the 2027-2028 School Year calendar and the calendars for the district's partnering colleges were considered. House Bill (HB) 2610, passed by the 84th Texas Legislature, amends *Texas Education Code* (TEC), Section 25.081, and requires districts to provide at least 75,600 minutes of instruction, including intermissions and recesses. The Bill also allows school districts to add minutes as necessary to compensate for minutes of instruction lost due to school closures caused by disaster, flood, extreme weather conditions, fuel curtailment, or another calamity.

On Tuesday, October 20, KISD staff were provided with the opportunity to vote on two calendar options (A and B).
