

Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: October 26, 2026

Topic: FMG (LOCAL) - 30-Day Read

Background and Rationale:

Currently there is currently no HISD Board policy regarding district-led travel outside of the United States. FMG (Local) would be a new policy that would restrict district-led travel to the contiguous United States. This would exclude Hawaii, Alaska, and any U.S. Territories.

Relationship to Strategic Plan:

ADD POLICY

**Requests for Student
Travel**

All requests for student travel shall be submitted in accordance with Board policy and administrative regulations.

**Trips Outside the
Contiguous United
States**

Travel outside the contiguous United States shall not be permitted for District-sponsored clubs or organizations.

EN 10/8/26: I know there are instances where schools have these tour group trips that students pay on their own. I don't know if those would fall under "District-sponsored" or not, however. That might be a question for Legal Services or district counsel.

Also, a student organized, student lead, non-curriculum-related group could take a trip to Paris because it isn't technically sponsored organization (see FNAB) even if they advertise about the trip on campus. They would be permitted to advertise the trip but it would not fall under this policy.
