

Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: October 26, 2026

Agenda Item#: _____

Topic: Approve the Application for a “New” Full-Time Virtual Campus launching in the 27-28SY under Texas Senate Bill 569 (TEC30B).

Background and Rationale:

Before the Texas Virtual Academy at Hallsville can submit its official application for a “new” full-time virtual campus under Texas Senate Bill 569 (TEC30B) launching in the 27-28SY, the campus must secure documented approval from the Hallsville ISD Board of Trustees — this is a non-negotiable requirement on the TEA authorization rubric.

This approval to establish a “New” Full-Time Virtual Campus was granted in the September 2026 board meeting.

Now, TVAH is presenting the application to the board for approval.

Motion to be read:

"I move that the Board of Trustees approve the application for a ‘new’ full-time virtual campus launching in the 27-28SY and authorize the Superintendent or designees to submit the required Standard Authorization Application package to the Texas Education Agency under Texas Senate Bill 569(TEC30B)."

Relationship to Strategic Plan:

District Goals

Goal 1

Cultivate an inclusive and high-performing learning environment that guarantees equitable access to rigorous instruction, resulting in measurable academic excellence and future-ready skills for every student. (LIM Academic WIG)

Goal 2

Build an inclusive, trusting, and physically and emotionally safe learning environment where every student, educator, and family feels a deep sense of connection, value, and respect. (LIM Culture WIG)

Goal 3

Build a community of leaders where staff guide student growth, giving students and staff a chance to lead, and partnering with families to grow leaders in our school community. (LIM Leadership WIG)

TVAH Strategic Goals & Campus Alignment Statements

Domain 1 Approaches+ 55% • Meets+ 35% • Masters 5%	"Our campus goal of Approaches+ 55%, Meets+ 35% & Masters 5% primarily aligns to District Goal 1 because it results in measurable academic excellence. This also supports the WIG of achieving a TVAH accountability rating of a B for the 26-27 school year. We will monitor instructional environment and assessment data monthly to know the goal is moving forward."
Domain 1 4-year grad rate: 96%	"Our campus goal of a 96% 4/5/6 yr grad rate primarily aligns to District Goals 1, 2, and 3 because we have to have future-ready skills, students have to learn in a safe environment, and they will need to lead their learning to graduate. This also supports the WIG of achieving a TVAH accountability rating of a B for the 26-27 school year. We will monitor attendance and participation monthly to know the goal is moving."
Domain 3 EL proficiency: 28%	"Our campus goal of EL proficiency at 28% primarily aligns to District Goal 1 because they are getting equitable access to rigorous instruction with intentional language support. This also supports the WIG of achieving a TVAH accountability rating of a B for the 26-27 school year. We will monitor PLT data (focal students, Summit K12 data, and course grades monthly to know the goal is moving."
