Re: Middle School Girls Basketball Assistant Coach Recommendation to Hire – Logan Chambless

---

MMK Board Members,

After conducting interviews, I am recommending Logan Chambless as the new Middle School Girls Assistant Basketball Coach.

For the first time in a very long time, the MS Girls basketball program will have enough participants to have an assistant coach. Coach Chambless (Coach C) will be able to fill that role and provide a positive impact on this group of girls. Logan is in her 3rd year as the K-6 PE/Music Teacher. Coach C is also our MS track head coach and was an assistant coach for the MS boys last year. Over this past summer she helped take the MS/HS girls to basketball camp in Ilwaco.

Please consider Coach Chambless for hire. She will be able to assist Coach Melissa to help lead our Middle School girls' program in developing fundamentals and knowledge of the game. She has the time and dedication to help run a successful basketball program.

Thank you.

Tom Kerr
