

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: October 20, 2026

AGENDA ITEM: Consider Approval of Resolution Regarding Extracurricular Status of Athletic Performance Volleyball and Adjunct Faculty Agreement

PRESENTER: Susan Bohn, Superintendent

BACKGROUND INFORMATION:

- The Texas Administrative Code 19 §129.21, states that when a student participates in an approved off-campus activity under the direct supervision of an authorized adjunct faculty member, the student may be considered "in attendance" for state funding purposes, meaning the district does not lose average daily attendance (ADA) funding for those days. The activity or the adjunct status must be board-approved to count the student present for funding purposes.
- The adjunct faculty member must have at least a Bachelor's degree and be eligible to participate in the Teacher Retirement System of Texas (TRS).
- These adjunct faculty members receive no compensation from Aledo ISD.
- Annually, the Board has approved agreements with both Tarrant County and Parker County 4H organization and has approved related adjunct faculty.
- Approval of the resolution and agreement with the proposed adjunct faculty members allows our students participating in these programs to attend these events and be counted present at school that day.

FISCAL INFORMATION:

Approval of this item has no known impact on the 2026-2027 budget.
