Athletic Director Report
October 21, 2026

Believe it or not, fall seasons are wrapping up and we even have two winter season teams that have already started! Our HS volleyball, cross country, and football teams are moving into their post seasons. The JH girls and boys basketball teams have started their regular seasons. The girls have had two weeks of practice and started their season with a home opener last night against Columbia suffering a tough loss but coaches and fans say it was one of the best performances they've seen against a big school like Columbia. They are back at it this evening against Chester. The boys will have their season opener Oct. 25 at Immaculate Conception school with 7th grade starting at 5:30 pm and the 8th grade will follow.

The football team ended their regular season 3-6 and earned themselves a playoff bid. They will play against Villa Grove this Saturday. Kickoff is at 2:00 pm. High school volleyball will finish their regular season play this evening at Steeleville and will start regional play on Monday, Oct. 26 at Carlyle. They earned a number 8 seed and will play against number 9 seed Patoka. Our cross country team competed in the Cahokia Conference meet last night at Wesclin. I am excited to announce that our boys team are Cahokia Conference Kaskaskia Division Champs for the second time in a row! Aidan Finely and Angel Hueso-Cruz earned All-Conference honors. They will run this Saturday at Wesclin, in the IHSA Regional starting at 10:00 am.

I would like to mention that our HS cheer team is working and hard and planning to compete in a sideline showcase at O'Fallon High School on Nov. 14. This will be the first time our cheer team has shown off their hard work in an official showcase. Once we have more details, they will be shared on the district website and social media pages.

Our dance team is shifting into their competitive season. They will open up the season on Dec. 12 at the Belleville East Competition. Other competitions include Edwardsville on Jan. 2, Nashville on Jan. 10, Marion on Jan. 16 and the IHSA Sectional on Jan. 23. If you can't make it to a competition you can see them strut their stuff at all of the varsity boys basketball halftimes.

Upcoming Important Dates:
--Fox League Forms and payment due: Oct. 30
--HS girls basketball tryouts Nov. 1
--HS boys basketball tryouts Nov. 9
--Wrestling Club girls practice starts Oct. 26
--Wrestling Club boys practice starts Nov. 9
